FOR 5 DETROIT ORGANIZATIONS

NEVER MISS WHAT DETROIT CITY COUNCIL DECIDES.

Civic Memory searches **everything Detroit City Council has done since 2013** and alerts your team when the topics, streets and projects you care about show up on an agenda — **before the vote**, not after the headline.

WHAT YOUR TEAM GETS

- → **A custom watchlist, set up for you** — topics, streets, neighborhoods, projects, your council district.
- → **Alerts where you already work** — Slack or email.
- → **A weekly brief** of what hit the agenda and what passed.
- → **Full search** of 13 years of votes, resolutions and minutes.
- → **A direct line to the founder** — your feedback shapes what gets built.

WHAT WE ASK

- → **A 30-minute kickoff** the week of Jan 12.
- → **15 minutes every two weeks** to tell us what's working.
- → **Honest feedback** — the good and the annoying.
- → **A yes or no at day 60.** Pilot organizations get **founding-customer pricing, locked for a year.**
- → No cost. No contract. No credit card.
